Please use as reference your Club name + WOR.

Please send an email to secretary@bradfordrowing.co.uk to alert us as to your payment
Cheque payments to Bradford ARC, The Secretary, 4 Warren Ave, Eldwick, Bingley, BD16 3BZ

Seats will be drawn from each Club. (We will return payments promptly for anyone not drawn).
Substitutions are ok but details in advance would be nice.

The draw for crews will mix ability, gender and Club. Registration will give you a Crew Number for the Quad division and another for the Fours division.

Find your crew members before your first race! And decide tactics!

All entrants will get at least one race in each division they enter.
Rapid turnarounds are essential. Foot stretchers will be set at mid position to save time. Please listen to the stage marshals. Lots of short course races where spectators can see starts and finishes and shout for their friends. Races will be in a normal regatta knockout format. Bradford coxes will try and keep some semblance of order and decorum.

Boats must be stopped soon after the finish bell (and before the weir!). See BARC website, www.bradfordrowing.co.uk, for the Regatta Safety Plan.

Names will be drawn from a hat for the finale Eights sprint between a scratch Red Rose crew and a scratch White Rose crew (the War of the Roses). For the Honour of Your County.

It is the visiting Club's responsibility to ensure participants meet BR swimming ability, capsizing skills and health standards. We take no responsibility for the after effects of curry and beer.

In the event of unsafe river conditions, we will run the event on ergos in the gym and bar instead. (Unless you really want your money back.)

Saltaire Rail Station is a ten minute walk – If your members have not been down to our Club before there is a map on www.bradfordrowing.co.uk – click on About Us then Where to find Us which is helpful as Sat Navs have a nasty habit of sending people the wrong way .
